Dear All

The PTA have organised a couple of events recently. Firstly the Wellbeing and Mindfulness Day was a great success. There was a good turn out and some very positive feedback about how enjoyable it was. The Nigel Ward Café was a great success last week thank you all so much for the cakes and helping hands. We really were very proud of our display of home made cakes. They went down a storm with the punters! We have another session to go on the 22nd and having learnt what cake folks like from the first session (and what we have left in the freezer) we will be targeting what cakes we would like baking (Jo will be organising this). We expect a significant sum of money to be raised to help support repairs and improvements to the Elliot and the playground. Once it is all totalled up I will publish the details.

We have the PTA AGM on the 18th Oct at The Bridge at 8pm. Please come along and help support these activities that benefit the school. We are always looking for new members to help out in any way (no matter how small!). Any volunteers to take a position on the committee would also be most welcome. Feel free to contact me on 07939038083.

Many Thanks

Claire PTA Chair

Lunches and Christmas Dinner

Hopefully you have all had a lunch order form sent home, please can these be filled in and returned as soon as possible if you would like your child to have hot lunches. I will sending the order over to Sarah at Food for Thought on Wednesday next week so after that it will be too late. We have also said that this year the Christmas dinner on the last day will be no charge so everyone will be ordered one-if you really do not want your child to have it or if you require a vegetarian version please let me know.

Thanks
