Sapling Class Residential Trip

Hello, we have been on a residential to Longtown Outdoor Center.

When we arrived, we wheeled our suitcases into a big room that they called The Barn. The instructors told us to put several layers of clothing on for caving. Everybody climbed on the bus which led us to the cave. When we got out of the bus we had a yummy sandwich lunch. We walked down a hill and reached the cave. We climbed up a small water fall that led from the cave. When we were in the cave it was dark and wet. When we got back we had a shower and a delicious dinner.

Then it was time to go Orienteering, and it was fairly difficult but it was fun. When we finished we had a nice hot cup of coco in the living room. Then we got into bed.

In the morning we had a marvellous breakfast of cereal, eggs, bacon and hash browns. We were split into groups and the first activity was paddle boarding. Rowan fell in fifteen times! After that we did some rock climbing. It was extremely high. We wore a helmet and a harness and everyone had a go. Then it was time to go home.... But we would all love to do it again!
