## Cadbury World Trip

Oak Class had a brilliant time today at Cadbury World in Birmingham. They learnt a lot about the history and manufacturing process of chocolate and they might have consumed a bit of it too! It goes without saying that the children were an absolute credit to the school and it was a pleasure to take them out for the day. Mr Crocker

*On Wednesday 18th of September Oakclass went on a wonderful class trip to Cadbury World. As we pulled up in the car park the glorious scent of chocolate filled the air. Once we had shown our tickets and paid we were shown around.*

*We saw how it was made and learnt about the Myans. We also chose toppings for chocolate and ate them as we watched them hand pipe chocolate pumpkins.*

*Personally, my favourite thing was the 4D experience.*

*All in all it was a delicious day.*      Written by Angharad Lewis– Oak Class

## Acorn Class Barry Island Trip

*On Tuesday Acorn class went to Barry Island. It was a bright and sunny day. We made sandcastles in the sand and we paddled in the greeny cold sea. We splashed Miss & Cook and she got a little bit wet! We had nice cream and had a chocolate bird.*

## GOLD AWARDS

All of Acorns– For their incredible attitude and impeccable behaviour on our school trip

Jack– For putting maximum effort into everything he's done this week

Agnes– For staying overnight on the camping trip

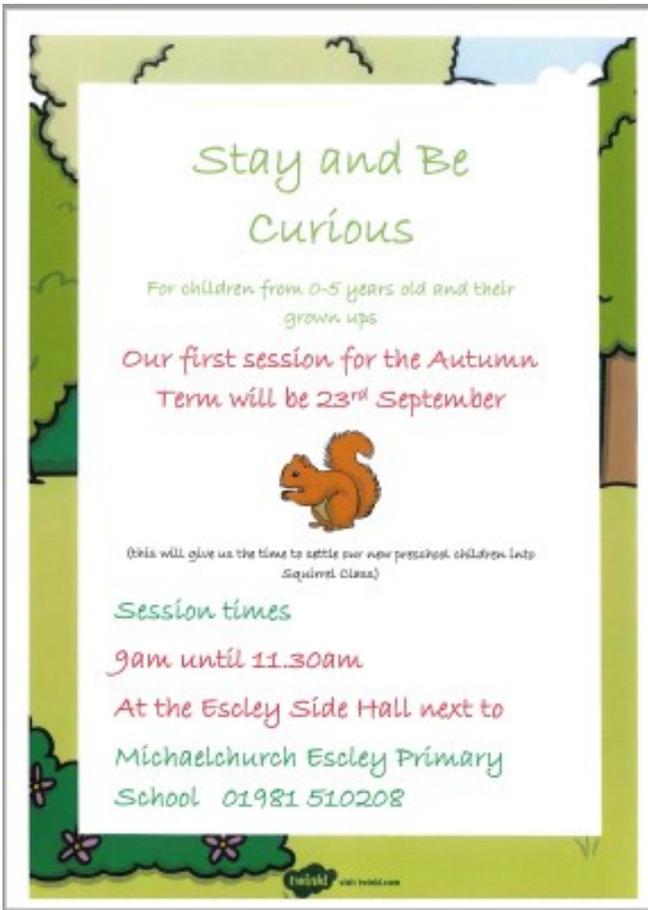

Lacey– For great symbol design in art

Hazel– For being brilliantly focused in class

Super Star Award– Albie, for being extremely kind and helpful

## Sapling Camping Trip

It all began when I took my bags out of the hall and placed them by the bike ramp. Firstly, we had to make sure all of our tents were up on the top field some of the parents kindly helped us. We played for a while on the field then we were allowed to play in the Spinney. Jack, Gabriel, Jenny and Ruby loved getting messy by the stream. We had to make elf or fairy houses. Some people in the class were really creative by making small tables and chairs, swings and shelters for the little creatures. Orlie's and Ariadne elf house was particularly amazing. I saw some wood and I decided to build a treehouse so I found a good tree to build it on. I continued to built the treehouse until it was time to eat. We ate lovely potatoes with sausages, baked beans and garlic bread, I had a squirt of tomato ketchup with mine. Gwilym managed to eat four sausages. It was all cooked on the fire. We had some giant marshmallows to make smores which we toasted over the fire. Hermione and Agnes were very good at perfectly toasting the marshmallows. Although Albie's turned out a little bit crispy. After that, Mr Crocker told us to get our torches for the night walk. I had four torches just in case. Very excited, we did what he told us to do and we met him at the gate. Monty couldn't wait to get going. Just as the sun was setting we began the night walk. In a big group, we walked across the road over the cattle grid and through the field down the hill. Ava, Ruby and Jenny led the way on the walk. We went across the small bridge over the brook and into the dark woods. Accidentally, Charlie stood in cow poo. We all found this very funny. Some children were a bit scared but we all worked together and made it to the giraffe tree. I brought some vampire teeth to scare people although it didn't work on Miss Cook. However, Miss Matthews was petrified. I reminded everyone that is was a full moon and Friday 13th tomorrow. When we got back we had a lovely hot chocolate and said goodnight to each other around the camp fire. We all slept well through the night and woke up to the most beautiful pink sunrise. In the morning, the teachers made us porridge with a little drizzle of syrup. It was very yummy. Charlie and Chesca really liked the croissant warmed on the fire. After that, we had to get ourselves ready for the school day. We helped each other pack away our sleeping bags and roll mats. Albie was very thoughtful offering a helping hand to everyone. At lunch time, we made some lovely sandwiches. We had a choice of ham, cheese or jam. With very full tummies, we had forest school. Oak class were very kind by helping us take our tents down. Thank you so much Oak class. We had an amazing time camping, we can't wait for next year now. By Ashton

## Clothing and Footwear for School and the Daily Mile

With the weather changing can we remind everyone to bring in suitable clothing and footwear for being outside. Could waterproof coats and suitable outdoor shoes be bought EVERYDAY. Although Forest School sessions happen on Friday's many other daily activities go on outside.

Please ensure all clothing has a name on it especially Wellies.

Mr Crocker has recommended Mountain Warehouse as a good source of affordable outdoor gear.

We will also be doing the daily mile at least 3 days a week so can we please ensure trainers or shoes for running in are bought in everyday.

<b>Dates for your Diary</b>	
Wednesday 25th September	School Photos
Tuesday 1st October and Wednesday 2nd October 3pm-6pm	Parent's Evening
Wednesday 2nd October 8pm	PTA -AGM at The Bridge Inn 8pm
Friday 25th October	Last day of half term
