

The M Paper

Thursday 3rd October 2019

Fantastic Attendance Today!

Today – Thursday 3rd October – is a fantastic day! There is not a single child absent! Thank you to everyone for ensuring your child is coming to school regularly (obviously unless there's a genuine reason) and also **arriving at school on time**. There have been fewer children arriving late recently too (but still a few...), so thank you to everyone for making the effort to leave a few minutes earlier. Both regular attendance and arriving before the bell really help children settle in the mornings. Please keep it up!

Mrs Crocker

New Parent Governor

You may remember last term we had parent governor elections. I am thrilled to announce that Kate Wilks will be joining our governing body this year. Kate currently has two daughters school; one in Acorns and another in Oak (as well as older children in Fairfield and beyond!). She will be a fabulous addition to the governing body and the school is very lucky to have her!

Bench Restored

A big thankyou to Rupert who has fully repaired and restored our broken outside bench. This is a well used feature of the playground so many thanks.

Squirrel News

On Monday Squirrels were joined by the Stay and Be Curious group for a morning of Little Pigs' Activities. The children had a lovely time

decorating pig biscuits and making pig masks. We even had a lovely play in Squirrels garden before the rain arrived.
